## Instructions for Distributions

Each individual income beneficiary may direct the Administrator, Ren, to deposit Trust distributions directly into his or her bank or brokerage account. In the absence of wire instructions for an income beneficiary's bank or brokerage account, the Administrator will, unless otherwise instructed, provide distributions to an income beneficiary in the form of a check delivered via the U.S. Postal Service to the income beneficiary's mailing address.

Please complete the information below if one or more of your individual income beneficiaries would like Trust distributions to be deposited directly into his or her bank or brokerage account. **Please complete a separate copy of this form for each income beneficiary who wishes to deposit his or her Trust distributions directly into his or her bank or brokerage account. If two income beneficiaries have a joint bank or brokerage account, one form can be submitted with both income beneficiaries listed.**

**Note:** The account provided in Section 2 below must be directly held by the income beneficiary. Designations of electronic transfers to accounts held by third parties will not be honored. Please contact the Administrator at 1-844-898-0800 if you have any questions on this election.
